Tehama County Department of Public Works is pleased to announce that work will begin on two road projects. The week of October 26th, work will begin on an overlay project on Walnut Street. Work will occur between Red Bluff City Limits and Wilder Road including the intersection with Wilder Road. This project will involve overlay with asphalt concrete, striping, shoulder and driveway construction. Work will take approximately 2 weeks. This project is funded by Proposition 1B Local Streets and Road funds.

The week of November 9th, work will begin on an overlay project on San Benito Avenue between Tehama and 99W. This project will involve, repairing failed road sections, overlay with asphalt concrete, striping, shoulder and driveway construction. Work will take approximately 4 weeks. This project is funded by American Recovery and Reinvestment Act funds.

Both of these projects will involve traffic delays of up to 15 minutes. Drivers are advised to observe all posted signs and temporary traffic control measures. Use of alternative routes is also recommended.
